

## **Job Title: Mechanical Inspector 33**

City of Lansing

Deadline: Open until filled

The City of Lansing Planning and Neighborhood Development Department is seeking a full-time Mechanical Inspector to join their professional team to enforce and interpret the Michigan mechanical code and other applicable rules and ventilation systems being installed or repaired in the City of Lansing. This is a great opportunity regulation with heating, cooling, and for those seeking to use their knowledge of the Michigan and related code standards established by State Law. The City of Lansing offers a competitive wage and benefits package including medical, vision, dental, paid vacation, sick and holiday leave.

Responsibilities include but are not limited to:

- Ensures unsafe mechanical systems are either condemned or shut-off in cases where public safety is a factor
- Makes regular inspections to sites which require the ability to stoop, bend and crawl through spaces in order to examine and test mechanical equipment
- Performs a wide range of administrative duties including maintaining inspection records and writing reports as required

Ideal candidate will possess the following:

- High School Diploma or GED
- Must possess and maintain a valid driver's license

Five (5) years' or more of experience in one (1) or more of the following: Building Official, Building Inspector, Mechanical Inspector, Plumbing Inspector, Electrical Inspector, Plan Reviewer

**Please visit the City of Lansing to review posting.**
