The City of Lansing Economic Development & Planning Department is seeking a full-time Building Inspector to join their professional team in spearheading building inspections assuring they meet provisions of building, grading, zoning and safety laws and approved plans, specifications, and standards. This is a great opportunity for those seeking to use their knowledge of building and zoning codes; as well as, laws pertaining to construction research, investigation and enforcement. The City of Lansing offers a competitive wage and benefits package including medical, vision, dental, paid vacation, sick and holiday leave.

Responsibilities include but are not limited to:

- Interprets legal requirements and recommends compliance procedures to contractors and owners.
- Maintains inspection records and prepares reports for use by the administrative or judicial authorities.
- Assist in conducting plan reviews to ensure conformance to codes.

Ideal candidate will possess the following:

- High School Diploma or GED
- AND four (4) years of experience in general building construction as a contractor, skilled worker, construction project supervisor, or a combination of training and experience
- AND, Must possess a valid Michigan's Driver's License
- AND, Must meet minimum eligibility requirements in accordance with Public Act #407 for registration as a Building inspector and Plan Reviewer or can make provisional registration for both these titles within thirty (30) days from start of employment
