

On-Call Electrical Inspector - Muskegon

SAFEbuilt is currently looking for a highly skilled, MI Registered Electrical Inspector for their **Muskegon, MI Operations**. This position offers great opportunity for dynamic, motivated self-starters to work on a variety of assignments. You'll be a member of our highly respected building department team with a full complement of resources to support you and exciting projects to keep you challenged. Competitive pay, full benefits, paid training and more.

SKILLS:

- Extensive knowledge of local electrical building codes and current construction procedures and technology.
- Interpretation of codes in the field and ability to provide code compliant solutions
- Must possess the ability to positively interact with the other staff members, the general public, contractors, governmental entities, and other clientele
- Excellent verbal and written communication skills
- Good time management, organization, and attention to detail skills
- Demonstrated ability to exercise initiative and a considerable amount of independent judgment

More About SAFEbuilt: One of the fastest growing providers of privatized community development solutions in the country, SAFEbuilt has seen a significant increase in municipal contracts and employee growth over the past few years. 2018 is already shaping up to see similar growth and opportunity. SAFEbuilt partners with over 700 communities of all shapes and sizes throughout the country for the efficient delivery of privatized community development solutions including: building department services, community and transportation planning & zoning and community improvement services.
