**Job Opening – Electrical Inspector Position
Huron County Building & Zoning Department**

The Huron County Building & Zoning Department is seeking candidates for the position of full-time Electrical Inspector/Plan Reviewer. Primary job responsibilities include: inspection, administration and code enforcement, including plan review of the installation and/or alteration of electrical systems, equipment, and components, including services, power distribution systems, fixtures, appliances, devices, and appurtenances. Excellent communication and organization skills required along with a thorough knowledge of the State of Michigan residential and commercial building codes, the National Electric Code (NEC) and the National Fire Protection Association (NFPA) codes. An applicant for state registration as an electrical inspector shall have a minimum of 2 years of experience as a licensed journeyman electrician or shall be licensed as a master electrician. All applicants must possess the ability to become registered as an electrical inspector/plan reviewer under Public Act 407 of 2016, and have a valid Michigan driver license in good standing. Additional consideration will be given to individuals with credentials to serve as a multi-certified inspector (including building inspector, soil erosion agent). A full time inspector would receive county employee status under the General County Unit I of the Michigan Council 25, American Federation of State, County, and Municipal Employees, AFL-CIO.

A detailed job description and pay schedule is available upon request. Interested persons can apply at the Huron County Building & Zoning Department, Room 102, County Building, 250 E. Huron Avenue, Bad Axe, Michigan 48413. Consideration of candidates will begin approximately February 28, 2020. Questions concerning this position should be directed to Jeff Smith, Director of the Building & Zoning Department at 989-269-9269, or via email: smithj@co.huron.mi.us. Huron County is an Equal Opportunity Employer.
